- Water cup
- Scrap paper for underneath

Art Fundamentals:

- Perspective
- Tints and Shades
- Foreground, middle ground, background

Inspiration

When he was 40 years old, he took a trip to Greece to visit where his family was from. It changed the way he painted.

He would sit and watch the sun touch the area around him, waiting for the changes in color.

His pieces became simple and focused.

Island church, Mykonos, Greece, 1965
